

2011/2012 Residence Fees

The fees for residence shown are for the use of the residence itself. Charges for such items as linen, refrigerator rental and hall fees are paid separately.

As a student living in Residence, you must make a meal plan selection based on the residence building assigned to you. Students in all residences are required to purchase a meal plan.

The Inter-Residence Council also levies an additional fee of \$44.09 per student. For more information on the IRC, visit www.mcmaster.ca/irc/about.html or email irc.finance@mcmaster.ca
