Routing a Sole/Single Source Form to the AVP of Admin & CFO:

15. Adding a Sole Source to a requisition- How to guide a form to the AVP of Admin & CFO (Refer to SP01 to see if your order meets the required thresholds):

http://www.mcmaster.ca/bms/policy/purchase/SP-01.pdf (Example over $10,000 a Sole Source would be required if you are unable to obtain 2 competitive quotations).

To be compliant with laws, regulations, public policy and McMaster University’s Strategic Procurement Policy SP-01, all acquisitions must be subject to competitive bidding. In rare, specific or exceptional circumstances, only one supplier or consultant may be, or capable, of providing goods or services.

When a competitive bid cannot be completed for an acquisition the purchaser must complete a Single/Sole Source Certificate and get appropriate approval signatures. The AVP Administration & CFO is to be completed electronically via PeopleSoft.

Ensure you have attached your Sole Source to the “Approval Justification” in the comments portion of the requisition. (Instructions as listed above within page 15 & 16 to add attachments)
a. Select **Requisition Activities** in the Header.
b. Highlight the words “Sole Source” under Comments and then click off “Done” so a check mark appears. This will route the requisition to the **AVP of Administration/CFO** for review/approval.
c. The AVP of Admin/CFO will now be listed as one of the approvers on the requisition once the requisition is saved and submitted for approval. To see the routing go to View Approvals found within the main page of the requisition. Once the View Approvals is selected you will then be able to see the name of the AVP of Administration/CFO (D. Henne.)

**Congratulations you have completed a requisition.**

The flow of the Requisition: Next the **Requisition** will be Auto Sourced into a **Purchase Order**. The Purchase Order will be sent to the Supplier by the PeopleSoft system or by a Procurement Specialist. The Goods or Services are then received by you the end-user, unless the goods you had purchased had come directly to HSC or General Receiving. A **Receipt ID Number** is assigned to the Purchase order once the Goods or Services are received in PeopleSoft. Remember there are 3 key numbers tied to one order processed.
