CONSTITUTION OF THE MEETING

ATTACHMENTS TO THE OFFICIAL COPY OF THE MINUTES
• Executive Director’s Report

1. ADOPTION OF THE AGENDA

Motion: Moved by Shaw, seconded by Evans to adopt the agenda. 
Carried Unanimously.

2. EXECUTIVE DIRECTOR’S REPORT

Minniti presented his written report (a copy annexed to the master copy of the minutes).

Of particular note for the minutes from the Executive Director’s report, Minniti highlighted a recent Senate meeting where the Dean of Humanities, Dr. Suzanne Crosta, tried to close the Art History program. At this meeting, the Provost was asked by an undergraduate student Senator whether or not she and the Dean of Humanities had turned down prospective fundraising opportunities – as high as $10,000,000 – and the Provost denied this from the Chair of Senate (since Dr. Peter George was away), essentially calling into question the integrity of Minniti and MAPS. Ultimately, this created a shockwave through Senate given that both MAPS and Minniti have a solid and credible reputation of being professional collaborators on campus. Ironically, the substantial amount of doubt that the Provost had instilled in Senators resulted in the motion failing with 15 in favour, 10 opposed, and 8 abstentions (given that the total number of those opposed and abstaining outweighed those in favour). Minniti also noted that the Dean of Humanities put forward a motion to reconsider at the very next Senate meeting. Procedurally, Minniti explained that the Dean required two-thirds of those present to place the Art History closure motion back on the agenda, and if that was achieved, only a simple majority would be required to close Art History. Minniti added that he spoke in opposition to the motion to reconsider and maintained that the Dean was merely hoping for a different outcome give a different composition of Senators and that this was nothing short of contempt for Senate. Ultimately, the motion to reconsider fell three votes shy of achieving a two-thirds majority.

IMPORTANT NOTICE

During the years 2008 through 2012, the taking of minutes, recording of decisions of the Board, and other normal meeting procedures do not appear to have been followed or in accordance with best practices. However, various documents that appear to be unapproved minutes were found.

In August 2013, the Board of Directors (which was elected in February 2013 as part of a complete Board changeover) instructed that these unapproved minutes be made publicly available in order to advance the current Board’s commitment to transparency and improved governance. However, these minutes may not be fully representative of the deliberations or subsequent actions of prior Boards, and the current Board is unable to determine their accuracy as none of the current members were present during these past meetings.

These minutes should thus be read with the following caveats:

1. Unless otherwise indicated, no record exists of these minutes being appropriately reviewed or approved. The minutes’ contents are thus provided “as is” for information purposes only.

2. These minutes may accordingly not provide a full or accurate record of prior board decisions. These minutes should thus not be relied upon as authoritative or conclusive.

3. As none of the 2013 members were present, these minutes have not and will not be approved by the 2013 Board. The 2013 Board does not automatically agree with or accept any decisions or discussions that may be in these minutes.

4. For reference, as of 2013, minutes are now reviewed and approved by the Board at a subsequent meeting, and signed by the presiding officer and corporate secretary.
