IMPORTANT NOTICE

During the years 2008 through 2012, the taking of minutes, recording of decisions of the Board, and other normal meeting procedures do not appear to have been followed or in accordance with best practices. However, various documents that appear to be unapproved minutes were found.

In August 2013, the Board of Directors (which was elected in February 2013 as part of a complete Board changeover) instructed that these unapproved minutes be made publicly available in order to advance the current Board’s commitment to transparency and improved governance. However, these minutes may not be fully representative of the deliberations or subsequent actions of prior Boards, and the current Board is unable to determine their accuracy as none of the current members were present during these past meetings.

These minutes should thus be read with the following caveats:

1. Unless otherwise indicated, no record exists of these minutes being appropriately reviewed or approved. The minutes’ contents are thus provided “as is” for information purposes only.

2. These minutes may accordingly not provide a full or accurate record of prior board decisions. These minutes should thus not be relied upon as authoritative or conclusive.

3. As none of the 2013 members were present, these minutes have not and will not be approved by the 2013 Board. The 2013 Board does not automatically agree with or accept any decisions or discussions that may be in these minutes.

4. For reference, as of 2013, minutes are now reviewed and approved by the Board at a subsequent meeting, and signed by the presiding officer and corporate secretary.
